SHILOH'S FIRST BOARD CERTIFIED FAMILY PHYSICIAN!

The Country Doctor, Ltd., is a private and independent practice based in the growing community of Shiloh, Illinois. Dr. David Larry Mitchell is the founder of The Country Doctor, Ltd, where he will continue his care of inpatients and outpatients.

Dr. Mitchell is a fully-licensed, Board Certified, Family Medicine Physician who grew up in Belleville and Shiloh, Illinois. He completed his early education at local schools, including Whiteside, Abraham Lincoln, and Belleville Township High School East. He earned a couple of Associate Degrees from Belleville Area College, graduated with a Bachelor's Degree from Southern Illinois University at Edwardsville, and earned his Medical Degree from Southern Illinois University School of Medicine. He completed a three-year residency in Family Medicine at the Saint Louis University-affiliated and fully-accredited Forest Park Family Medicine Residency at the former Deaconess Central Hospital, where he was resident of the year and Chief Resident.

Dr. Mitchell has been a fully licensed physician in Illinois since 2001 and in Missouri since 2000, and he is Board Certified in Family Medicine until 2009. Dr. Mitchell has lived and worked in the Belleville and Shiloh towns intermittently and currently since 1976. Dr. Mitchell's medical society memberships include the Illinois State Medical Society, the American Medical Association, the American Board of Family Physicians, the Illinois Academy of Family Physicians, the American Academy of Family Physicians, the St. Clair County Medical Society, and Secretary of Memorial and St. Elizabeth's Family Practice Departments (starting 7/1/2004).

The Country Doctor, Ltd. is a modern practice with a computerized medical records and a self-sufficient billing system. The computers and peripherals throughout the office were built or heavily modified by Dr. David Mitchell, the network designer and main programmer. The Macintosh/Windows Hybrid software for integrated patient records and billing was created by Dr. David Mitchell.
